§§ 1951.107–1951.110 [Reserved]

§ 1951.111 Salary offset.

Salary offset may be used to collect debts arising from delinquent USDA Agency loans and other debts which arise through such activities as theft, embezzlement, fraud, salary overpayments, under withholding of amounts payable for life and health insurance, and any amount owed by former employees from loss of Federal funds through negligence and other matters. Salary offset may also be used by other Federal agencies to collect delinquent debts owed to them by employees of the USDA Agency, excluding county committee members. Administrative offset, rather than salary offset, will be used to collect money from Federal employee retirement benefits. Salary offset will not be initiated until after other servicing options available to the borrower have been utilized. In addition, for Farm Loan Programs loans, salary offset will not be instituted if the Federal salary has been considered on the Farm and Home Plan, and it was determined the funds were to be used for another purpose other than payment on the USDA Agency loan. When salary offset is used, payment for the debt will be deducted from the employee's pay and sent directly to the creditor agency. Not more than 15 percent of the employee's disposable pay can be offset per pay period, unless the employee agrees to a larger amount. The debt does not have to be reduced to judgment or be undisputed, and the payment does not have to be covered by a security instrument. This section describes the procedures which must be followed before the USDA Agency can

ask a Federal agency to offset any amount against an employee's salary.

(a) *Authorities.* The following authorities are granted to USDA Agency employees in order that they may initiate and implement salary offset:

(1) Certifying Officials are authorized to certify to the debtor's employing agency that the debt exists, the amount of the delinquency or debt, that the procedures in USDA Agency and United States Department of Agriculture's (USDA's) regulations regarding salary offsets have been followed, that the actions required by the Debt Collection Act have been taken; and to request that salary offset be initiated by the debtor's employing agency. This authority may not be redelegated.

(2) Certifying Officials are authorized to advise the Finance Office to establish employee defalcation accounts and non-cash credits to borrower accounts in cases involving other debts, such as those arising from theft, fraud, embezzlement, loss of funds through negligence, and similar actions involving USDA Agency employees.

(3) The Finance Office is authorized to establish defalcation accounts and non-cash credits to borrower accounts upon receipt of requests from the Certifying Officials.

(b) *Definitions*—(1) *Certifying Officials*.—State Directors; State Executive Directors; the Assistant Administrator; Finance Office; Financial Management Director; Financial Management Division, and the Deputy Administrator for Management, National Office.

(2) *Debt or debts.* A term that refers to one or both of the following:

(i) *Delinquent debts.* A past due amount owed to the United States from sources which include, but are not limited to, insured or guaranteed loans, fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interest, fines and forfeitures (except those arising under the Uniform Code of Military Justice).

(ii) *Other debts.* An amount owed to the United States by an employee for pecuniary losses where the employee has been determined to be liable due to
